

## Election Results

The 2014 election of officers took place at the Annual Meeting of the Members on July 3rd. Three Board members were reelected, and two members were newly elected to the Board.

President Hal Halverson agreed to a nomination for a second term. No other nominations were made for President.

Rick Benjamin placed his name in nomination for the position of Secretary. No other nominations were made for Secretary.

Ben Edman, who was filling an unexpired term by appointment as Executive Officer, agreed to run for the position. No other nominations were made for Executive Officer.

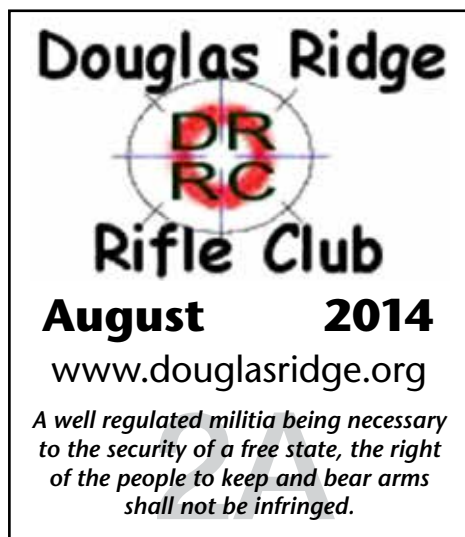

Three members were nominated for Director positions. Bill Wood was nominated for a second term. Bill Trousdale and Stan Pate were nominated as new Directors. Three positions in total were up for election.

As all positions for election were uncontested, a motion was made and seconded that all candidates be elected by acclamation. The motion carried. Congratulations were given to all the new officers.

The Club thanked Greg Watson, Edd Kohart, and Dyan Kirkpatrick for their service as Board members.

## New Life Members Elected

At the Annual Meeting of the Members, Life Member Dick Jennings nominated Michael Jones for Life membership. A twenty year member, Michael served the Club for many years as the Executive Officer and as the Chief Range Safety Officer. The

membership voted to approve the nomination. In addition, a special Life membership was proposed for Al Lisoski, who spends many hours maintaining and repairing machinery, hauling fuel, and keeping a watch on the Club as a neighbor. This was also approved. Congratulations to the new Life Members!

## A Shooting Coach's Dream/Nightmare

*Dale Nelson*

So, there I was. My son Dylan and I were headed for the monthly Black Powder shoot at Douglas Ridge Rifle Club. This was the morning after returning from the Oregon State 4H Invitational Shooting Sports Tournament where my son took home a ribbon for High Point Shooter in the Muzzleloading event. Dylan had to focus on punching paper targets for several months getting ready for the 4H event and we were both looking forward to a fun day shooting at random yardage clangers instead of punching paper for score.

So, in a moment of extreme mental weakness, I challenged him; loser buys the ice cream on the way home. Boy was that a dumb thing to do. He won high

score in the Junior Division of our monthly shoot. Ok, that was not so hard you say since he was the only Junior shooter at the DRRC June Black Powder Shoot. Well, he also out-performed all of the adult shooters in attendance. Yes, including me, his shooting coach. And not just by a couple shots. Dylan hit every target except the string cut. He cut the playing card set on edge! Basically, no one else won an award at our June shoot!

He won a nice antler powder measure that was, coincidentally, pre-drilled to pour the exact amount of black powder in his .50cal rifle.

I have to confess that I was actually trying very hard to beat him and I shot very well. Beaten; fair and square. Every coach of a young athlete looks forward to the day the athlete bests him or her. I had hoped to be able to keep up a little longer though; he's only 13 yrs. old.

Can you tell I'm proud of him? Have you noticed the price of ice cream lately?

## DRRC/4H Youth Shooting Program

*Dale Nelson*

Just eight short months ago the Adult Leaders of the Clackamas County 4H Shooting Sports club approached the leadership of Douglas Ridge Rifle Club (DRRC) regarding utilizing the DRRC facilities to help develop the skills of some very promising young shooters. We had taken them as far as we could in the pasture we were using. That discussion began a flurry of activity at DRRC involving several youth shooters and Disciplines. I want to share with you the results of the last eight months.

L to R: Dylan Nelson, KayLee Lyen, Jacob Johnson and McKenna Johnson. Not pictured Josephine Boell.

The Oregon State Invitational 4H Shooting Sports Tournament was held June 18-20 at the Albany rifle and Pistol Club. We took five shooters to the Tournament.

- McKenna Johnson is the youngest shooter at 10 yrs.; she took home ribbons in Shotgun and Smallbore Rifle. McKenna is a member of the DRRC/Sandy Sportsman/4H Youth Shotgun Team.
- Dylan Nelson is 13 yrs; He took ribbons in Shotgun and Muzzleloading. Dylan was High-Point shooter in Muzzleloading. Dylan is a member of the DRRC/Sandy Sportsman/4H Youth Shotgun Team.
- KayLee Lyen is 15 yrs. Kaylee took a First place in Smallbore Rifle and *qualified to compete in the National 4H Tournament!* KayLee is a member of the DRRC Adult Smallbore Team.
- Jacob Johnson is 16 yrs. Jacob received a ribbon in Smallbore Rifle and took a Reserve Champion in Shotgun and *qualified to compete in the National 4H Tournament!* Jacob is a member of the DRRC/Sandy Sportsman/4H Youth Shotgun Team.
- Josephine Boell is 17 yrs. Josephine took home a ribbon in the smallbore pistol competition. We took 5 youth shooters to

the State Tournament; 3 of the 5 took top honors and 2 of the 5 qualified to compete on the National level!

The National Tournament is held in Grand Island Nebraska the 4th week in June. Our shooters have a year to prepare for their adventure. Wish them good luck when you see them.

## Quigley 2014

Bob Anderson

In the 1870's a man rode out of the west and boarded a sailing ship bound for Australia to ply his trade as a rifleman. The man was Matthew Quigley and his rifle, the Sharps model 1874, already famous for its long range capability.

Fast forward a 150 years and watch that journey played out in reverse. 602 competitors from 36 states and 3 countries set out on a similar journey of their own. Their paths, some hundreds and for many, thousands of miles long, culminate on the Al Lee ranch just out of Forsyth, Montana. Unlike Matthew Quigley, though, the end of their journey was met with true Montana hospitality and friendship.

Sponsored by the Forsyth Rifle and Pistol Club of Forsyth, Mt, the match was attended by 602 competitors and their families from 36 states and 3 foreign countries. The match consists of 8 shots fired at six targets ranging from 350 yds offhand to 805 yds off cross sticks.

Formerly DCM

DRRC was represented by 5 members, one member's grandson and an honorary member from Alberta, Canada. Jack Regele, Steve Irving, Bob Anderson, Jim Kendall, Dave Kendall, his grandson Tad and Bob Powell, a rancher from Canada whom we have shot with for several years. Jack shoots a Shilo 1874 Sharps in 45-90, Steve shot a Farmingdale Shilo Sharps in 45-70, Bob a 45-70 Shilo Sharps, Dave a 45-70 Sharps, Jim a 45-90 1885 Winchester, Tad shot the same rifle and Bob Powell shot a 45-110. Our top shooters were Jim Kendall and Tad who both shot 32 out of 48. Tad broke the tie with Jim by scoring 8 out of 8 hits at 600 yds shooting a 45-90 off of cross sticks and he is only 17.

What sets the Quigley Match

apart from any other competition is not the targets or the distance, which are fairly straight forward, although the diamond can be difficult. I always hit in the nonexistent corners. What sets it apart is the weather and the large, irregular ravine that you have to shoot over. Winds vary from 0 to gusts up to 45 mph. The direction can change on a whim and you can be drowning one minute and burned to a crisp 15 minutes later. It's Montana.

If you want a challenging but low stress, friendly place to compete, join us in Forsyth 2015. The detailed version of this article at [www.deepcountrree.com](http://www.deepcountrree.com).
