

## Adult Smallbore Team

*Bob Stevens*

For the third year in a row, the Douglas Ridge Adult Smallbore Team has taken First place in the Columbia Willamette Rifle League. The 18 member team includes seven juniors who showcased their maturity, skills and interest in the sport, earning their invitation to be on the team. These juniors are the future of the team and we are pleased to have them. Many thanks to their parents for making their inclusion possible.

The CWRL awards individuals in each of four shooter classifications of Marksman, Sharpshooter, Expert and Master as well as by the four positions of Prone, Sitting, Kneeling, Standing and also by Aggregate score. Special awards for various categories are also handed out. The DRRC team hauled in a fair amount of individual awards with Nathan Cardwell (Junior), Kaylee Lyen (Junior), and Elliott Tukua advancing in classification from Marksman to Sharpshooter and Spencer Jacobs (Junior) advancing from Expert to Master. Tracy Keenan-Lloyd received the "High Lady" award and Levi Clark (Junior) took the "High League Junior" award, the "Most Improved Master" and maintained a perfect Prone score throughout the entire season. Restin Satterlee (Junior) won the "Most Improved, League" award. Nathan Cardwell, Kaylee Lyen, Elliott Tukua, Spencer Jacobs and Bob Stevens won position awards and in the Top Ten Shooters (Aggregate Awards) DRRC members took 1st, 3rd, 6th, 9th and 10th.

Discipline Director, Bob Stevens and Assistant DD, Glen Miller appreciate having such a great group of teammates that make this sport so enjoyable. Glen is also Discipline Director of the Junior Smallbore program assisted by Assistant DD Bryan Geddis and associates John Frentress, Roger

Woods, and Bob Stevens. We welcome new shooters to both the Junior and Adult programs. Details of the programs are on the DRRC website. Come join the fun!

## 3rd Annual Open House

*Bill Mattes*

DRRC will be conducting our Third Annual Open House on Saturday, June 13th from 3 PM to 7 PM. I'm hoping that our Discipline Directors will once again be at the event. As in the past I hope to have them set up at the different ranges and be available to show and talk about what they do in their individual disciplines. Last year we had approximately 80 people made up of members and non-members who came to our event. We signed up many new members and had a great time. This is a non-shooting event designed to show off DRRC to our community and to help

## RIP Don Gilbert

Life Member Don Gilbert passed away on April 6th, 2015, at the age of 80. Don was a member for more than 35 years, and was instrumental in the shotgun program at DRRC. He was well known for cooking the food at the shotgun Christmas shoots. Condolences to his family and friends.

members and non-members learn more about our club.

Many of us have friends and neighbors that are always saying they want to come and join our club. This is the time to allow them to visit and see everything that is available for them to do at DRRC. It is a great opportunity for members of the general public to see that Douglas Ridge is family friendly and a fun safe place to shoot. It is also the perfect time to fill out an application and write a check for those who want to join.

Please take a few moments and write the date on your calendar and be sure to start talking about it to your friends who are not yet members of DRRC.

## Elections

*Chuck Adams*

Elections for Board positions are on the horizon. Now is your chance to step up and really get involved. As you may have heard our Treasurer will be unable to continue another term. However, she will be available for training the new person. In addition the DRRC Board has authorized funds for part time professional accounting help to absorb some of the work load this position requires. Our existing system is based on Quick Books and all systems are setup, operating and functioning well. If you are familiar with computers and Quick Books or willing to learn this is a great opportunity to step into a well running system and do a great service for DRRC. Contact Chuck Adams, Long Term Planning or Christine Walters, Treasurer if you have any questions.

## The Burden Memorial Regional Tournament

*Carl Haggland*

Douglas Ridge Rifle Club will be host to The Burden Memorial Long Range Regional Tournament May 23, 24, and 25 this year.

The tournament named to honor longtime DRRC member Ray Burden and his wife Irene who both spent countless hours in service to this club and the shooting sports.

Ray served as the DRRC Highpower Director for over 20 years with the assistance of Irene. He only resigned the position to care for Irene when she was stricken with cancer. Ray had a goal of DRRC having the ability to fire 1000 yards. To that end he almost single handedly built the current 1000 yard pits and the firing lines used for 800, 900 and 1000 yards.

During his career as a shooter, Ray was a member of the United States International Palma Team, served 24 years on the NRA Board of Directors, 14 of those as chairman of the Highpower Rules Committee, trained countless shooters and was always willing to give the shirt off his back to others. He would also let you know his opinion and you knew where you stood.

This year's tournament will consist of individual matches Saturday and Sunday with a team match on Monday. On Thursday May 21st there will be a squadded practice with firing at 800, 900 and 1000 yards. The tournament program with all the details is posted at [www.ossa.org](http://www.ossa.org) under the Highpower link.

In past years this tournament has attracted some of this country's top long range shooters. Several states as well as Canadian provinces have been represented. All are welcome. Come join the fun.

For questions or additional information contact Carl Haggland at 503/281 2927 or [highpower@ossa.org](mailto:highpower@ossa.org).

## Membership Renewal

*Joe Keller*

Every Club Senior member, Oldtime member and Life member will be receiving a membership renewal statement in early May. There are no changes to the dues.

All memberships expire June 30 and if a renewal statement is not returned with the appropriate payment, your gate card will be deactivated after the Annual Meeting of the Members on July 2. Members who fail to renew will receive a Second Notice sometime after the Annual Meeting of the members. No additional reminders are sent after the Second Notice.

Please review your statement, and update or correct any errors in spelling, telephone numbers, home address or email address. If an email address is missing, please provide one if you use email. If your birth year is listed, but not your birth day, please provide the actual date. If you have extended your NRA membership or changed your NRA status, for example, to Life member, please update that information.

Every member should return their statement, even if no fees are due. It greatly helps us in processing the renewals, ensuring the NRA membership is current, and getting the gate access card updated. It also lets us know you are still alive, and still an active member. Payments need to be by personal check, cashier's check, money order, or cash. No cards. You can mail your payment and statement, or you can also drop off your renewal at the Club. Use the lock box in the Clubhouse on the wall next to the office door. All renewals must be paid in full. Partial payments will be held unprocessed until full payment is received.

If you are charged \$35 for NRA Dues, it is because the Club maintains an NRA expiration date for all Annual NRA members. If our records indicate your NRA membership expires before June 30, 2015, we automatically include an NRA Dues Assessment on your statement. If you already renewed your NRA membership, cross off the \$35 charge on the statement and adjust your Total Due amount. Return a NRA magazine address

label or a copy of your current NRA membership card, showing your updated NRA expiration date, with your renewal. If you have not yet renewed your NRA membership, you can pay the \$35 fee and the Club will renew your NRA membership for one year, or you can renew directly with the NRA for one or more years. Please provide proof of your NRA renewal, such as an acknowledgement email.

All Senior members are required to contribute a minimum of 8 hours work for the Club, or pay the \$150 Work Assessment Fee. If we do not have 8 or more hours recorded by you and your associate and junior members, we add the \$150 fee to your renewal. The work hours must have been completed by the end of the Annual Work Day on April 18th. There is no carryover of work hours from previous years. If you know you worked the hours, but we did not reflect it on your

statement, we have all the work slips that were turned in. Hopefully, you have some note or record of your work. We can look for a slip to see if there was a recording error. If you worked Hunter Sight-in, contact the director, Mark Edwards. He has participation records for those events. If you worked gun shows, contact Dan Day for help. If there is no work slip and no record of you working, you may be out of luck. If you were unable to complete work hours, due to extenuating circumstances, you can appeal for relief to the Board of Directors, in person at a Board meeting, or in writing.

If you can't pay now, you can pay later. After the Annual Meeting on July 2, the gate access cards of unpaid members will be deactivated. You can pay your dues any time during the 2015/16 Club year, but they will not be pro-rated for time that you were

not able to access the Club before renewing. After receipt of your renewal payment, your gate access card will be reactivated. If you don't renew during the Club year, you cannot renew next year. At the end of the Club year, all non-renewed members are changed to Inactive status. They are no longer members. To gain access to the Club again, they must apply to Rejoin the Club. If approved, the Initiation Fee is reduced, but other One-time costs must be paid again. Inactive Oldtime members who rejoin revert to Senior status, and have the Senior member dues and work hours obligations again. Attendance at a New Member Orientation class may be required.

Appeals for waivers or other adjustments can be made to the Board of Directors, in person or in writing. Decisions of the Board are final.
